Subject: Amendments to USDA National List

Dear Mr. Mathews,

First of all we apologised for the delay, but it was due to Easter Holiday.

Thank you for the opportunity to comment on the proposed amendments to the USDA National List, Docket Number TMD-02-03. We are in support of the comments filed by the Organic Materials Review Institute, and look forward to finalization of this docket as well as future amendments that include adoption of all the NOSB recommendations.

Sincerely,

Alexandra Kiriazopoulou
Certification Dep., Manager
